Mastercare

Dear Customer.

Congratulations on taking delivery of your new car.

Your car is covered by the Rover 'MASTERCARE' plan which provides you with a number of exclusive benefits.

We provide this most comprehensive plan since nothing is more important to us here at Rover than the continuing satisfaction of our customers.

AND NOW, HOW DOES 'MASTERCARE' WORK FOR YOU –

1. PARTS and LABOUR WARRANTY for 12 months.

Full factory warranty for 12 months from the date on which your car was first registered.

IMPORTANT! For the complete details of this warranty please refer to your 'MASTERCARE' book.

2. FREE MAINTENANCE SERVICES up to 40,000 km or 3 years.

Free maintenance services right up to and including the 40,000 km Service or for a period of 3 years, whichever should occur first from the date your car was first registered. All you have to do is pay for the materials used.

IMPORTANT! Some items related to normal wear factors or classified as additional service operations are not covered by warranty or the maintenance plan. These items are chargeable to you, please study your 'MASTERCARE' book for the complete details, or see your authorised Rover dealer for further clarification.

3. YOUR PERSONAL I.D. CARD.

Your I.D. Card is your personal proof of entitlement under the 'MASTERCARE' plan. The card will be issued to you as soon as the dealer who sold you the car registers you as a new Rover owner. Please retain your I.D. Card in the 'MASTERCARE' INFORMATION Wallet and present it to your authorised Rover dealer whenever requests for service are made under the 'MASTERCARE' plan.

4. SATISFACTION CARD.

This card is included with accompanying envelope in your 'MASTERCARE' INFORMATION Wallet. It is provided as your personal link with us. In the unlikely event of you having a difficulty in overcoming a problem, just complete the card and we will be in touch with you.

5. CHANGE OF OWNERSHIP OR ADDRESS NOTIFICATION.

This card is included in your 'MASTERCARE' INFORMATION Wallet. In the event of you changing your address or your car being sold, the card should be completed and mailed to us.

6. REQUESTS FOR SERVICE.

The benefits of 'MASTERCARE' commence on the date of registration of the car. Should your car require attention under the arrangements covered by WARRANTY and/or 'MASTERCARE' maintenance plan, you should

- Take your car to the Dealer from whom it was purchased.
- Always provide your Dealer with full information about the nature of your request, as quickly as possible. Where the request is of a minor nature and the vehicle may be operated safely, the Dealer will arrange an appointment so that you avoid having to be without the car for longer than necessary.
- Always present the Dealer with your 'MASTERCARE' book, which will provide him with the information he needs before he can undertake a repair or maintenance on your car.

Should you be operating your car away from the locality of the Selling Dealer, work covered by WARRANTY and/or the 'MASTERCARE' maintenance plan will be carried out by any authorised Rover Dealer.

REMEMBER! Only an Authorised Rover Dealer can provide assurance of:

- Fully up-to-date service techniques and information.
- All authorised Rover Dealers must meet the laid-down factory service standards.
- Service personnel receive regular factory training.
- Complete support from factory Service Engineers if they are required to overcome a difficulty regarding your car.

Protect your investment by having your car serviced only by an authorised Rover Dealer.
Please retain this card in your 'MASTERCARE' INFORMATION Wallet for future reference.
